Memo. No. 9/ 4054-4071/C/14

Dated, Alipore, the 18<sup>th</sup> July, 2014.

To  
The District Land and Land Reforms Officer

Sub: Disposal of long pending Miscellaneous petitions.

After conduct of inspection of BL&LRO offices it is revealed that a large number of miscellaneous petitions mainly related with trial correction of records has been lying pending since long. Even no register was prepared for those petitions. The interested persons are attending the office frequently in order to get a relief but with no effect. Only a few persons manage to have got relief. Such situation is causing resentment among public. This unwanted condition should not be allowed to continue. Therefore, he is requested to instruct the BLLROs to take following steps.

- 1) All these petitions are to be sorted out mouza-wise.
- 2) The service of the Revenue Inspector together with other staff must be used for this step of work.
- 3) Each petition will be examined. It may be that some petitions deserve no action.
- 4) Mother volumes of record may be required to be opened in case of disposal of some petitions.
- 5) The BL&LRO will seek permission mouza-wise for opening the sealed mouza.
- 6) After completion of work the concerned mouza records will further be sealed as per instruction already given.
- 7) The SDL&LRO will closely supervise the work and report.

A feedback is expected from his end within a month positively.
